Coming Events/FYI

DVBS

A BIG THANK YOU for your prayers, support and involvement in this years DVBS. This was a great opportunity to present and live the Gospel in our community. We had a great time of instruction, games, crafts, singing, eating delicious cookies and discovering truths about God.

The program ran smoothly, we had an overall average of 112 kids attend!

Continue to be in prayer as we do follow up in the next few weeks.

Missions Focus

New Hope's Armani School in Tanzania

Pastor Matinya updated us on how the children have grown in their desire for Christ, "that it has reached a point where the kids won't allow a teacher to start a class without praying for them...it's a sign that the Lord is at work." Praise God.

Please pray for these vulnerable children as hunger is still a challenge for many of them even with the school providing meals.

Also there are a few children battling sickness which community members are wanting to deal with using ritual cleansing (witchcraft).

Pray for "wisdom in treating the children's sickness and protection over the school".

Condolences

Our love and prayers are sent to Myrt Ness and her family, on the passing of her sister. She has travelled to Calgary to be with the family.

Over the last few months, we have briefly described how we at Courtenay Baptist Church desire to be all about gospel, community and mission.

These words help capture the fact that Jesus is everything to us (gospel), Jesus creates us to be His people (community) and Jesus gives us our purpose (mission).

For a number of decades now, the vision **“To know Christ and to make Him known”** has been on all our print. This is an amazing vision that is just as pertinent today as it was all those years ago when we as a church, set out to make this a reality for ourselves and community.

To help us to understand and live out this vision in everyday life we will be reflecting what this means over the coming months.

“To Know Christ and to make Him known”
